Experiences

Airbnb

Experience Designer · May 2019 – Present

Building a unified and scalable platform that supports the needs of every type of host—from casual hosts to property managers.

Palantir

Product Designer · August 2016 – April 2019

Designed tools that help organizations (e.g. pharmaceutical, law enforcement) make best-informed decisions through their data.

Format

Freelance Designer · January 2016 – May 2016

Identified painpoints and improved usability in the main product. Explored new onboarding experience tailored to a new demographic.

Huge

Product Design Intern · January 2015 – May 2015

Designed digital experiences for Canadian brands. Clients include Canada Goose and Telus.

Facebook

Product Design Intern · September 2014 – November 2014

Designed different ways people can discover products they'll love.

Squarespace

Design Intern · May 2014 – August 2014

Redesigned the marketing website for the developer platform. Refined out-of-the-box content in existing templates for better guidance.

Education

York University/Sheridan College

Bachelor of Design Honours '16
